Re: Letter of Recommendation for Nolin Electric, Inc.

On behalf of Power Solutions, I recommend Nolin Electric to you as a reputable and dependable electrical contractor. I have had the pleasure of hiring and working with Nolin Electric to successfully complete several projects over the years. They are a professional organization that always puts in the extra effort to understand the complete project and when challenges arise they take initiative to present cost effective solutions. Nolin Electric is knowledgeable of their trade, easy to work with and respond to requests in a timely manner.

I highly recommend you use Nolin Electric for your electrical needs as Power Solutions is proud to have them as a trusted partner.

Sincerely,
